PROJECT SPOTLIGHT

Sunrise International Market is a family owned and operated grocery store located on the west side of Columbus, which provides fresh foods and staples in a food desert area of the city. During this time of crisis, the business has expanded its staff, inventory and prepared meals selections, while adding delivery services for its customers. These enhancements are in line with the owners' mission to serve the community by providing high quality products while satisfying the needs of the business' retail and wholesale patrons.

In partnership with Steve Sherer at Ohio State Bank, CCDC provided 504 funding to purchase the entire 135,000 square foot building the business has partially occupied since 2018, allowing for needed expansion.

Congratulations to the Zheng Family on achieving their dream.
