PROJECT SPOTLIGHT

National Trail Raceway is a dragstrip located near Hebron, OH and is a premier drag racing facility in the U.S. It was opened in 1963 and enjoyed great success and national recognition. In 1996 the National Hot Rod Association purchased the track and success continued until the mid '00s when notoriety and performance of the track decreased, partly due to lack of local ownership. Last year, Big Ambitions, LLC, which is completely locally owned, purchased the property. The SBA 504 financing option allowed a favorable refinancing of the seller terms, thus allowing the raceway to become 100% locally owned and operated again.

Congratulations to the new owners as the community is excited for the business to grow!
