### PROJECT SPOTLIGHT

Second time around and the success continues!

Michelle & Jeff Parks were seeking a way to purchase The County Fair Car Wash in Pataskala. The couple wanted to purchase a business which could involve their family in its operations and become a long term plan for retirement. Kelly Law of Heartland Bank recommended CCDC and the SBA 504 program which enabled them to put less money down than normally required on these types of property and secure a long term fixed rate to help with future planning. The sellers had financed the original construction, the equipment and additional bays using the 504 program through CCDC and sung our praises, which made the Parks feel even better about their decision to use the program.
